WINE WALL OPPORTUNITIES

Message From "My Wine Pal"

On behalf of **The Kidney Foundation of Canada, BC & Yukon Branch**, I am excited to share with you the **2017 Kidney Gala**. Formerly known as the "Shine a Light Kidney Gala", we are proud of the new design and concept around the **2017 Kidney Gala**. This is my second year volunteering at this event and I invite you to be a part of this epic event!

This annual event brings together leaders in the kidney community, nephrologists, people from business and philanthropic communities, political

dignitaries, and our tenacious kidney patients. The **Kidney Gala** has developed through joint effort between **The Kidney Foundation of Canada, BC & Yukon Branch** and the **Canadian Society of Nephrology** to directly help the lives of people suffering from kidney disease. **Funds raised at the Kidney Gala support world-class research, Patient Services & Public Education and Saving Lives Through Organ Donation campaign.**

A highlight of this annual event is the **Wine & Spirits Wall**. Guests have the opportunity to purchase a randomly numbered cork that matches a specific bottle of wine or specialty spirit. The purchaser does not know what bottle is theirs until the match is revealed!

The positive impact this event has on kidney patients would not be possible without our generous donors. I would like to encourage you to contribute to the growth and success of the **Kidney Gala by donating wine or specialty spirit**. If you are a past donor – we appreciate your continued support. If you are a new donor, we are excited to have you join in our 5th year! Your support is greatly appreciated.

Should you wish to donate, please complete and return the last page of this package (donation form) to pbilusack@kidney.bc.ca by **February 1, 2017**.

Best Regards,
Karl Kliparchuk, WSET

GALA FUNDRAISER

Join us on **Thursday, March 9, 2017** (World Kidney Day) at the **Fairmont Hotel Vancouver** to celebrate the **5th Annual Kidney Gala**. Last year tickets to attend the Gala **SOLD OUT** and thanks to our guests and sponsors, **we raised a record breaking \$230,000!** The **Kidney Gala** brings attention to kidney disease, the people it affects, the people who care for them, and those who are doing research to help prevent, treat, and even one day find a cure for this serious disease. The Gala hosts hundreds of people including nephrologists, political dignitaries, business and philanthropic communities, kidney patients and other distinguished guests. We are excited for what the **5th Annual Kidney Gala** has in store for our guests! The evening will begin with a **VIP Reception for our Sponsors**, having the opportunity to network over cocktails and appetizers before enjoying a gourmet, 3-course dinner. Due to popular demand our Wine & Spirits Wall will return, as will the Leadership Challenge and our much anticipated live and silent auctions.

GALA HISTORY

The "Shine a Light Kidney Gala" originated in 2011, thanks to the leadership and vision of co-chairs Dr. Adeera Levin and Dr. John Gill. Due to the growth and success of the Gala, the 5th year will introduce new branding and a Gala Committee that will contribute to all aspects of the event.

PARTNERSHIP

The Kidney Foundation of Canada, BC & Yukon Branch has partnered with the Canadian Society of Nephrology (CSN) for the 5th year to support the 2017 Kidney Gala. CSN is a society of physicians and scientists specializing in the care of people with renal diseases, and in research related to the kidney and kidney disease.

THE KIDNEY FOUNDATION OF CANADA BC & YUKON BRANCH

We are a national volunteer organization that is committed to kidney health and improved lives for all people affected by kidney disease. **Our mission** is to *fund and stimulate innovative research; provide education and support; promote access to high quality healthcare; and increase public awareness and commitment to advancing kidney health and organ donation.*

To date, in 2016 we have:

- Provided **33 post-transplant adults** with accommodation in our **Kidney Suites**;
- Sent **40 kids to Kidney Kids Camp**;
- Received **3324 car donations** to our **Kidney Car** program;
- Supported **350 people** with kidney disease in nearly **\$100,000 in grants** and **\$8,000 in interest free loans**; and
- Raised nearly **\$110,000 for National Research**.
